CAREER OBJECTIVE

I'm a passionate Frontend Developer with a solid understanding of HTML, CSS, **JavaScript**, and modern tools like **React.js**. I also have hands-on experience building custom websites using **WordPress and Elementor,** allowing me to deliver both code-based and no-code solutions depending on the project needs. I'm proficient with Git and **GitHub** for version control and team collaboration. I'm looking for an opportunity where I can continue to grow, learn, and contribute to creating digital experiences that engage and satisfy users.

EDUCATION

2023 - Present

UNIVERSITY OF INFORMATION TECHNOLOGY & SCIENCES

- Bsc in CSE
- CGPA: 3.10 / 4.0

MILESTONE COLLEGE

- Sciences
- GPA: 4.33 / 5.0
